## Timetable notes

1. GCSE exams are timetabled in common exam slots agreed by all exam boards under the Joint Council for Qualifications (JCQ).
2. Each exam must be taken on the day, date and at the time shown on the timetable. The published starting time of all exams is either 9.00am or 1.30pm. Students taking more than one exam in a session should take these consecutively. A supervised break may be given between the exams taken consecutively at the discretion of the school/college.
3. Schools/colleges may start an exam up to 30 minutes before the published starting time without notifying AQA.
4. Schools/colleges may delay the starting time of an exam by up to 30 minutes later than the published starting time without notifying AQA.
5. For information on any other timetable variations, please refer to the [JCQ Instructions for conducting examinations](#) or contact [Customer services](#).
6. For examinations that last less than one hour, candidates must be supervised and question papers must be kept in the centre's secure storage facility until the published finishing time of the examination.
7. Some components require the issue of question papers, stimulus material or other information in advance of the normal timetable period. Schools/colleges should check the specification for information on the material required by students.
8. Any reading time allowed for an exam is included in the time specified.
9. Schools/colleges must arrange practical and oral units according to the procedures given on the relevant [subject](#) page of our website. Such units are shown only on the 'Subject and product list' pages of this document. Private Candidates will need to find an AQA-approved school or college who will take responsibility for all aspects of qualification delivery. This includes supervising, authenticating, standardising and marking all non-exam assessment (NEA) work.

## Subject/qualification notes

10. Schools/colleges should submit their internally-assessed marks/assessments so that they are received by AQA and their designated AQA moderator by the dates shown in the table below.

Submission date	Subject
07 May 2023	All units and components unless otherwise specified in this table
15 May 2023	ELC qualifications, FCSE and Projects
31 May 2023	GCSE Art and Design

11. Students entered for the May/June 2023 exams may carry forward the coursework component mark from a previous series. Please ensure these students are entered on to the centre mark submission software using the special status of carry forward. Further guidance is available on the [Carry forward of marks](#) page of our website.
12. GCSE History (8145), for Paper 1, students will need to take one of the section A options plus one of the section B options. The overall duration of Paper 1 is 2h. Similarly for Paper 2, students will need to take one of the section A options plus one of the section B options. The overall duration of Paper 2 is 2h.
13. GCSE Religious Studies (short course) (8061), students will need to take section 5 plus two of the optional sections from 8061/1-4. The overall duration of the exam is 1h 45m.
14. GCSE Religious Studies (8062), for Paper 1, students will need to take two of the options 8062/11-17. The overall duration of Paper 1 is 1h 45m. For Paper 2, students will need to take one of the two options A or B. The duration of Paper 2 is 1h 45m.
15. The submission date for GCSE Physical education will be two weeks prior to the school/college's moderation visit. Moderation visits will take place between 01 March and 31 May 2023.

16. Please see examination window details in the table below:

Window date	Subject
03 April – 19 May 2023	Modern Foreign Language speaking tests*
16 January – 31 May 2023	Drama

\*Schools/colleges can only test during 5 weeks of this window

17. The awarding bodies have designated Wednesday 28 June 2023 as the 'contingency day' for examinations. The afternoons of Thursday 8 June and Thursday 15 June have been designated as 'contingency afternoons' for examinations. This is consistent with the qualification regulators' document Exam system contingency plan: England, Wales and Northern Ireland – [gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland](https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland)

The designation of 'contingency days' within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations.

Centres must therefore remind candidates that they must remain available until Wednesday 28 June 2023 should an awarding body need to invoke its contingency plan.

18. Results will be sent to be received in schools/colleges as follows:

Results publication	Date
Electronically to schools/colleges	Wednesday 23 August 2023
Available to students	Thursday 24 August 2023
