

GCSE AND CAMBRIDGE NATIONALS

FINAL EXAMINATION TIMETABLE JUNE 2023

GCSE and Cambridge Nationals Final Examination Timetable, June 2023

Final version of the timetable

Changes made since the publication of the provisional timetable are shown in red.

Contingency days

The awarding bodies have designated the afternoon sessions of Thursday 8 June 2023 and Thursday 15 June 2023 and the morning and afternoon sessions of Wednesday 28 June 2023 as a 'contingency sessions' for examinations. This is consistent with the qualification regulators' document *Exam system contingency plan: England, Wales and Northern Ireland* - <https://www.gov.uk/government/publications/exam-system-contingency-plan-england-wales-and-northern-ireland>

The designation of a 'contingency day' within the common examination timetable is in the event of national or significant local disruption to examinations in the United Kingdom. It is part of the awarding bodies' standard contingency planning for examinations. Centres must therefore remind candidates that they must remain available until Wednesday 28 June 2023 should an awarding body need to invoke its contingency plan.

Starting times of examinations

The published starting time of all examinations is either 9.00 am or 1.30 pm. Each examination must be taken on the day and at the time shown on the timetable.

Centres may change the starting time of an examination within the scheduled morning or afternoon session without notifying OCR but candidates must start morning examinations no earlier than 8.30 am and by 9.30 am and afternoon examinations no earlier than 1.00 pm and by 2.00 pm.

If candidates are taking two or more examinations in a session and the total time is three hours or less, centres may decide the order in which to hold them. Centres may also give candidates a supervised break of no more than twenty minutes between papers

within a session. This **must** be conducted within the examination room, under formal examination conditions at all times. This **does not** apply to candidates with approved supervised rest breaks.

Leaving the examination

Candidates must remain under supervision until 10.00 am for morning examinations and until 2.30 pm for afternoon examinations. For examinations of less than one hour's duration, candidates must be supervised until the published finishing time of the examination.

Timetable deviations

If you need to arrange overnight supervision, the forms do not need to be returned to OCR but must be completed and held in your centre records. When a change is made to the published starting time of an examination, it is the responsibility of the centre to inform all candidates affected by the alteration.

Exams Timetable Tool

The exams timetable tool contains dates for OCR, AQA, Pearson and WJEC examinations. It is available via The Exams Office website, www.theexamsoffice.org and can be used to search, collate, export and print timetable information. Please note that you will need to be a member to access the information. Enquiries about membership for this site must be directed to The Exams Office directly and not the individual awarding bodies.

Key Dates

Key dates including dates for the release of results and any components taken between a range of dates will be shown on our Key Dates document: <https://ocr.org.uk/administration/key-dates-and-timetables/>

Centres must ascertain the dates for any papers not shown on the OCR timetable from Centre Data and Meetings:

Telephone: 01223 553998

Email: timetable@ocr.org.uk
